A P X MEN RUSH FOR BAND WAGON SEATS

Honorary Member's Support Slows As Alumni, Associates Have Memories Stirred

Chapter loyalty and a desire to keep in touch with friends and classmates has caused a rush among the Alpha Rho Chi alumni and associate members to climb on THE ARCHI subscription band wagon.

However, support of the honorary members has slowed as the actives and pledges reach their goals. Active chapters will not subscribe for honorary members this year, feeling that their "big brothers should be interested enough to subscribe for themselves.

In the figures below, the percentages are based upon the total number of subscriptions and the total living members and pledges. The actives and pledges in most cases are 100 per cent subscribed. Every alumni, associate and honorary man is urged to raise the standing of his chapter. The race is on. Show your fight. Kick in!

Even though the three younger chapters have the advantage in having fewer alumni to solicit they deserve credit due newer organizations. The rank of each chapter:

- Paeonios 84.3 per cent subscribed
- Kallikrates 76.1 per cent subscribed
- Andronicos 60.0 per cent subscribed
- Mnesicles 52.0 per cent subscribed
- Anthemiou 47.8 per cent subscribed
- Demetrios 37.7 per cent subscribed
- 1ttinos 41.3 per cent subscribed
- The Fraternity 48.8 per cent subscribed

All aboard men, we have added 106 subscriptions in two weeks. Another 100 and THE ARCHI is sure of eight pages monthly through June.

NEW RULER ARRIVES IN PATTERSON HOUSEHOLD

A daughter arrived at the home of Bro. and Mrs. Jos. J. Patterson, Anthemios '17, at Stillwater, Okla., on October 3rd. Subsequently Mrs. Joe was seriously ill but is on the road to recovery. Brother Patterson is Associate Professor of Architecture at the Oklahoma A. & M. College and is also practicing in Stillwater.

A FRIEND PASSES ON.

Anthemios chapter was saddened this past month by the news of the sudden death of Judge Dunlap, father of F. E. Dunlap, '16, and M. D. Dunlap, '24. Judge Dunlap was prominent in the University community before moving to Chicago a few years ago.

GRAND ARCHITECT TO ATTEND CONVENTION

Dwight P. Ely, W. G. A.

The Grand Council unites in wishing all Alpha Rho Chi men a very Merry Christmas and a Happy and Successful New Year.

We hope to greet a great many of the brothers personally at Minneapolis, January 2nd and 3rd.

In this connection we want to caution the chapters once again that three delegates (two active and one alumni) must be elected, each to bear proper credentials, and that if less than that number are sent, written proxies must be obtained from the delegates who do not attend. This formality is made necessary by the Constitution.

Delegates will note that the place of meeting has been changed to the Curtis Hotel, Minneapolis. The time is the same.

—Dwight P. ELY, W. G. A.

INTEREST GROWS IN CONVENTION MATTERS

Usual Initiation Replaced By A Formal Dinner Dance First Evening of Ninth Meet.

Alpha Rho Chi's ninth annual convention, to be held at the Curtis Hotel, Minneapolis, January 2-3, 1924, promises not only to be one of the best attended but also one of the most interesting conventions in several years.

Several chapters have announced their delegates, while others are electing theirs. Dwight P. Ely, W. G. A., will attend the convention as the Grand Council delegate, while T. J. Strong, W. E. E., and Harold R. Peterson, W. G. S., also plan to be on hand.

Minor changes in the constitution which have been dictated by the experience of years will come up for consideration. The Chicago plan for alumni associations, and the place for the next convention will require consideration.

Order Dress Suits, Boys

In response to numerous criticisms the usual initiation has been omitted from the convention program. Many have felt that an initiation was more of a test of endurance than it has been of actual benefit to either the entertaining chapter or their visitors.

To take the place of the initiation the Mnesicles committee has arranged a formal dinner dance for Wednesday evening, January 2nd, at the Curtis hotel, where the visiting delegates will make their headquarters. The affair, it is hoped, will be a relaxation between the two strenuous days of business.

Both the dinner dance and the traditional stag banquet, which will take place the evening of the third, are open to all members of the fraternity who may be able to attend. No flowers is the edict.

R. P. Hennessy, Minnesota A. A., and Walter A. Kendall and Elton K. Crowell, of the active chapter, are making the arrangements. Delegates are requested to advise them as soon as possible of the hour of their arrival in Minneapolis.

LOS ANGELES ALUMNI

The petition of the alumni and associate members of Alpha Rho Chi to the Grand Council for permission to form a Los Angeles Alumni Association has been approved.
ANTHEMIOES-ILLINOIS

About ten of the fellows made the trip to Columbus for the Illinois-Ohio game on November 24th. Everyone reported a very good time and the consensus of opinion was that the music given by the Demetrios chapter was one of the best features of the trip.

H. P. Pieffer, W. A. Rolleston, K. C. Helms, and W. E. Fraser have been pledged to Dauthers, honorary art society.

H. S. Gurns has been elected W. S. to succeed A. W. Wente, resigned.

Bro and Mrs. Joseph F. Creedon have announced the birth of a son, Richard Joseph, on November 3rd.

A nervous breakdown has forced Bro. F. S. Van Vuren to leave school. Bro. Fraser was appointed ARCHI correspondent, in his place.

KALLIKRATES—VIRGINIA

Kallikrates wishes to announce the pledging of William C. Farrar, Richmond.

W. Irving Dixon is now an instructor of Mathematics at William and Mary College, Williamsburg, Va. Bro. Dixon graduated from the University last year, the first man to take a B. S. in Architecture.

Dr. Fiske Kimball dropped in to see us for a few minutes while here on a flying trip, November 18th. Dr. Kimball is now a faculty member of the New York University, and a lecturer at the Metropolitan Museum.

Our fall initiation came off as per schedule on the night of November 17th, and we now have a chapter roll of fifteen.

ANDRONICUS—U. S. C.

Francis Morehead and Leo F. Bachman were guests of honor at an informal house dance, November 24th. They were initiated the week before. Both were pledges last year—Bachman by Iktinos and Morehead by Andronicus.

November 23rd the chapter was entertained at a birthday dinner at the home of Bro. Stanley M. Candiff. In this affair the brothers were assisted by several coeds who live with Stan's mother.

Our newest pledges are Edmund C. Abrams and Earl Chapman. Ed is a trap drummer who will be an addition to the house orchestra.

Bro. Carleton M. Winslow has just finished a series of extremely interesting lectures on the development of church architecture.

PAEONIOS—K. S. A. C.

Myron Soupen and Raymond Lane were initiated into Scabbard and Blade, November 10th.

Dads' Day guests, November 23rd, included Mr. and Mrs. A. J. Van Vranken and young son, "Red," of Pratt; C. E. Cless of Rossville; Mr. and Mrs. Wm. Vol gast and Brother Walt, and Miss Atte E. Sweeney of Alma, and F. L. Lane of Kansas City, Mo.

Yes, we too had the three wanderers from Ohio. We hope they liked us as well as we did them.

Prof. C. F. Baker, who was head of "The Department" here for six years, writes from Cincinnati.

He likes his new place and is anticipating a remarkable development in the work there. Cincinnati's Department should make rapid progress with Prof. Baker at its head.

Paeonios has had fair luck in intramural basketball, winning three and losing two. We have two games left so may not be cellar champs.

Chapters Injure Innocent Men

Below are names omitted from the Grand Council Directory because some Chapter Official has failed to live up to the requirements of the Grand Council. We regret that it is not possible to include the names of these men in the proper places at this time. Current officers are to take steps to remedy the carelessness of their predecessors.

Although THE ARCHI staff stated in the last issue that the December number would be sent only to subscribers they have, at the urgent request of the Grand Council, consented to give the men who “mean to subscribe” another chance.

Herefore finances have limited the regular publication of THE ARCHI. For the first time the required number of subscriptions are in sight.

Last year THE ARCHI had 264 subscribers; this year we have passed the 300 mark—will you be one of "THE 400." Four hundred will make THE ARCHI a sure thing for 1923-24. Is the staff delivering the goods? If so mail your $1.50 AT ONCE!
