APX MEN WIN IN BIG TEN BOWLING

Mnesicles Chapter Crashes Pins
For Lead in Tourney, Home Champs Third Time.

It was the fair name of Alpha Rho Chi that was carried in the papers when the final reports were made public on the results of the Big Ten conference telegraphic bowling meet.

Mnesicles chapter rolled high out of over a hundred quintals participating. Their total was 2,641.

Bro. "Eddie" Olson, Mnesicles active, amassed the highest single game score of 242 and also the high three-game average.

Alpha Sigma Phi, leaders in the academic rolling at the Minnesota institution, placed second.

The men of Mnesicles feel that they have had a successful bowling season, winning the professional trophy at Minnesota for the third consecutive year without dropping a single game and then taking the academic leaders, Alpha Sigma Phi into camp with two games out of three for the Gopher pin title in addition to crashing the maples for the Big Ten honors.

However there is one fly in the ointment, but then that is as it should be, the Mnesicles alumni decisively whipped the champs! But that is O.K., for there are now two bowling cups and a trophy on the mantle awaiting the arrival of the Big Ten twenty-four inch cup.

PAEONIOS W. A. BUSY

R. C. Lane, '24, Paeanios W. A., is trying to add his name to the list of immortals by attempting two semesters of design in one. He is a Tau Sigma Delta man and has "the stuff." "Cowboy Palmquist is now chapter correspondent.

U. S. C. MAN PLACES IN PARIS PRIZE CONTEST

Rowland H. Crawford, '24, Andronicus, has been awarded fourth place in the first preliminary for the Paris prize offered by the Beaux Art Institute of New York City.

There were over 150 contestants from all over the country competing for the prize, but Crawford was the only man from the Pacific Coast to place.

There will be two preliminaries and a final for the prize, and the winner will receive a scholarship for three years study in the Beaux Art Institute of Paris.

OHIO MAN TO COLUMBIA

Clarence D. Badgeley, '23, Demetrios, received an architectural graduate study scholarship at Columbia University. He received his notice last month and took up his residence in New York, Feb. 6th. The best wishes of Alpha Rho Chi are extended to him.

LIFE SUBSCRIPTION RIGHT

In a recent letter George Lindeberg, '18, Anthemios, head of the Chicago alumni, writes: "My copy of the last ARCHI arrived yesterday, and I will say that it sure is a corker; it is everything that we can expect. The idea of a life subscription is a step in the right direction."

Brother E. A. Stubenrauch, '18, Anthemios, is practicing in Sheboygan, Wisconsin.

MICHIGAN ALUMNI ARE POOR BACKERS

Demetrios and Anthemios Men Vie
In Race For Subscriptions.
Andronicus Now Leads.

Michigan men, alumni, associate and honorary members of Alpha Rho Chi are giving the poorest support to THE ARCHI of any group.

This seems a pitiable situation in view of the fact that Iktinos was one of the two initial chapters. The active chapter was the first to be one hundred per cent subscribed; they deserve better backing.

Andronicus, Paeanios and Kallikrates groups, the younger chapters, which have not such a large group of "lost" alumni, stand at the top of the list of percentages in the order named. Kallikrates, however, has not been accorded the support of their grads or they would rank higher.

Demetrios Coming Fine

During January, Mnesicles chapter forged ahead of Andronicus, into third place, only to lose it when subscriptions for the last batch of pledges came in. Mnesicles still leads the four older chapters in percentage as well as total subscriptions.

As subscription have come in the last two months Demetrios men have pulled their chapter out of a poor last place into a place in the sun. In fact for a few days they jumped ahead of Anthemios in the "batting average." At this writing Anthemios has the upper hand, but for how long?

At the left are the standing on Jan. 25th and Feb. 8th. What will they be next month? Are Michigan Alumni officers satisfied? THE ARCHI is here to stay—why not co-operate?

COHAGEN FIRST WORTHY GRAND SCRIBE WRITES

Chandler C. Cohagen, '15, Iktinos, first W. G. S., now located in Billings, Mont., is practicing in partnership with Angus V. McIver and under the name of McIver & Cohagen. Brother Cohagen is married, but has no children.

In writing he says, "I have enjoyed THE ARCHI very much, have merely delayed answering your letters before. Tell me about the new chapter, the eighth one you mentioned. I rarely hear from Iktinos, but I am interested in Alpha Rho Chi."

Editorials and Notes

ONLY FOUR PAGES, WHY?

Yes, there are only four pages this month. The original program of THE ARCHI was to average, if possible, an eight-page paper each month. The first issue of the year, October, was a twelve page issue which offsets this four-page edition. We are planning on another twelve page again next month, with a revamped fraternity directory taking six pages.

ONE DOLLAR AND TEN

At the present time, most of the men who have not subscribed are either men whose addresses have been so defective that early issues of THE ARCHI did not reach them or else they are new men in the fraternity. For them THE ARCHI will be $1.00 for the balance of the school year. In the case of the new pledges, this will be in addition to the $10.00 life subscription which is payable upon initiation. The life subscription starts with the October 1924 issue.

FORGING THOSE LINKS

In the first issue under the present administration we stated that it was our aim "to make this little newspaper an instrument through which the men of Alpha Rho Chi will be forged into a living band of fellowship which will guarantee for the future a united and growing fraternity."

To gain this end we first launched a vigorous subscription campaign which we are still pushing. Last year we had only 264 subscribers on the lists, while at the present time there are 881, or 46 per cent increase. It is only reasonable to believe that the larger the subscription list the greater the unity of the fraternity.

Second class mail entry was secured for THE ARCHI and all copies are mailed in substantial manila envelopes which have resulted in excellent postal delivery. Through the co-operation of postal officials, under second-class mail regulations, many addresses were found to be incorrect. In some cases new addresses have been given by post-offices.

Gradually through the splendid cooperation of the various Alumni Offices at Illinois, Michigan, Ohio and Minnesota the list of "Who Knows" has been cut down. Chapter officers, former classmates and faculty men have supplied other data, but the task is not yet complete. Please give your attention to this matter at once; we plan on a new directory next month.

ANTHEMIOS—ILLINOIS

Prof. S. W. White of the department of Landscape Gardening has been pledged for faculty membership.

New officers elected at the last meeting are: Bro. K. C. Helms, W. E., Bro. W. E. Fraser, W. Supt., and Bro. Young, House Manager.

“Liz” Field has left school and will undergo an operation for appendicitis. Bro. Field’s going leaves an important office, that of W. A. A., vacant.

“Flea” Hougen and “Spike” Fickett were over from Indianapolis the weekend before last.

At a recent meeting it was voted to extend the privileges of voting to the associate members. This was the outgrowth of a suggestion made at the convention.

Postal reports show that Bro. R. L. Jordan, formerly with Gordon Van Tine Co., Davenport, la., is now in Denver with the Wm. Bowman Co.

By the way it will not be long now until Bro. W. M. Wadsworth, charter member, will be investing in four sister pins for his daughters. “Waddy” lives in Minneapolis and was alumni delegate at the convention.

THE ARCHI “found” Lester H. Christen, ’18, for Bro. Paul Markay, ’15, Demetrios, with the Truscon Steel people in Norfolk, Va. Brother Fred Schoettley of Toledo is the home of Bro. Ronald B. Jones, ’19, is back in the old grind again. He is working on the LeBrun Traveling Scholarship and Paris Prize competitions. Doc is also teaching the grad engineering in the University.

Geoff Bulford, ’20, was married very recently. We were all pleasantly surprised, but managed to express our congratulations and good wishes.

Our annual formal dinner dance will be given at the Deshler Hotel Feb. 29. We are looking forward to a great time and a regular reunion. Brothers Wade
and Axline have several stumps in mind if the censors do not object.

A recent letter from Bro. Walter A. Taylor, '21, advises that he has reached his station in China, where he is to serve as a missionary architect for the American Church Mission at Hankow. At present he lives in Peking for six months of language study. He has promised something for subsequent publication.

MNESICLES—MINNESOTA

Mnesicles announces the pledging of Milo Richardson, Hettinger, N. D., and Robert Guillette, Minneapolis.

The following men were initiated Jan. 19: J. T. Grisdale and Vernon Peterson, Minneapolis; Kenneth Backstrom, Pipestone; W. J. Witherspoon, Heat; Jennings, Alvin Rigg, St. Paul; A. Claude Flegel, Great Falls, Mont.; Harold Dower, Staples; Alvin Jansma, Hoppers, Ia., and Frank R. Root, Oromo, Wis. A banquet was held following the initiation at the Chateau Tea Rooms.

A Dutch party was given in honor of the new initiates at the chapter house, January 26. As usual, Walt Kendall made his light shining by devising a very unique scheme of decorations. Elton Crowell made a wonderful choice of refreshments while Dewey Gerlach provided the best and incidentally the longest music we have ever had.

Our basketball team has won six out of seven starts. K. Backstrom was chosen as one of the freshman squad. "Kennie" looks like a promising candidate for the varsity in a year or two.

A subscription has come in for Myron R. Dassett, Ex '17, from his folks in Minneapolis. After leaving Minnesota Mike went to Columbia and is now a student at l'Ecute des Beaux Arts, Paris.

Donald H. Buckbott, '17, is married and has a son sixteen months old. Don lives at River Home, Perysburg, Ohio, and commuted to Toledo, where he is working as an architectural draftsman.

January 29th, Bro. and Mrs. Edwin M. Loan sailed for France, Spain, Italy and Greece and will return to New York in June or July. Brother Ed is a '20 graduate who went on to Harvard for his Master's degree. His address is C/O National City Bank of New York, 41 Boulevard d'Haussman, Paris.

In a letter a few days since, Oogie Beeman, Ex '24, speaks with interest of his new work at Washington State, Pullman, where he is employed as a draftsman. He spent New Years in "the now famous log cabin with Fred G. Rounds, Anthemios '16, and his wife and babe." Ogdens expects to teach next semester.

Speaking of log cabins, Brother Larry Bakken, '22, is "homesteading" at 4819 29th Ave., S., Minneapolis. Larry and Peggy bought the lot, built a home which will eventually be a garage and are saving for the house.

KALLIKRATES—VIRGINIA

After an absence of half a year, Bro. Henry J. Lawrence returned after the holidays to complete the remaining work on his degree. Bro. Lawrence expects to finish this June.

Bro. W. Irving Dixon dropped in to see us while on a short visit to the University recently, and of course we had to stop work and have an old time hand of Bridge a la Dixon! Prof. Joseph Hudnut was successful in book ing an exhibition of olive paint -

Prof. Joseph Hudnut was successful in booking an exhibition of olive paintings in oil by Henry S. Eddy for the University. The exhibition opened on January 29th and was continued two weeks. Mr. Eddy was here himself for a few days as the guest of Prof. Hudnut.

ANDRONICUS—U. S. C.

The new officers for the next semester, installed at last meeting, are as follows:

On the 26th of last month the chapter gave a house dance in honor of the newly initiated pledges—Abrams, Allison, McClelland, McVair, Parsons and Strawn. The young ladies friends of several of the brothers were present, so the music was not all taken away; the only thing they didn't try to get away with was the piano.

Brothers Baldwin and Andersen rescued such things as pennants, ash trays, and brick-a-brac, but an inventory later showed seven A.P.X. paddles missing. These have since been recovered following drastic threats. It has been suggested, however, that some of the brothers patronize different sororities next time.

Our February chapter dance was held on the Palos Verdes Country Club.

Donald L. Bartles, '24, who resides in Downey, Calif., is working as a draftsman for Allison & Allison in Los Angeles.

PAEONIOS—K. S. A. C.

Pledge Jerry Ibach has a regular position on the Frosh Basketball team. He looks like a sure varsity man next year.

"Pug" Hoelzel is meeting "Kid" Hendrickson of Oklahoma U. at the Kansas City Athletic Club Tournament this week. "Pug" will also be on the Aggie boxing team on their trip to Iowa State next month.

Our past W. A., V. A. Chase, is leaving this semester. Pretty hard losing your best men, isn't it?

"Pink" Johnson has lost his pin. We regret the loss very much, but we were greatly repaid the day that we met her as a sister.

Brother Patterson has been nominated for the "Wise Fool Contest." Pat will make a good one.

Brother O. D. Lantz, a man that is quite familiar with a set, has presented the house with a new shingle.

Bill Kerr was elected President of the Architects' club for the coming semester. They are very busy at the present time arranging an exhibit for the annual Farm and Home week.

Brother Johnson and Pledge Friedel took first place on the last Exquise, in the Senior and Sophomore classes respectively.

Brother Kravill, '22, writes from Chicago saying that he enjoys every word in THE ARCHI. So do we, Em.

THE ARCHI

WITH THE ALUMNI FELLOWS

Minnesota Chapter

It was the evening of January 28th when the fellows met in their bi-monthly meeting at the Minnesota chapter house. Plans were then made to have the next meeting in the form of a dance party at Tamarack Lodge, St. Anthony Park, St. Paul, the evening of March 8th. An invitation is extended to every man and his partner within hiking distance of the Twin Cities.

Los Angeles Chapter

The second meeting of Los Angeles Alumni Chapter was held at the Andronicus Chapter house on January 15. A respectable number turned out, and showed encouraging spirit. A new face appeared, Brother Salmon of Iktinos.

Our next meeting will be held on Feb. 19th. Every effort will be made to secure the presence of at least a score.

Brother "Bill" Olson, Mnesicles, arrived at the Andronicus house, Jan. 30, and has moved in. He seems duly awed at the grandeur of our fair city, but seems to feel at home.

There are some thirty-one on the alumni roster now. Of these nine are former Mnesicles men.

There is danger of losing our Alumni Architect, Dave Postle, ex-Anthemios. He informed the brothers at the last meeting that he was planning to leave for New York soon, where he is to marry. He has a new French roadster, which is going to furnish locomotion on the honeymoon. Pretty soft.
