IKTINOS ACTIVES SET OTHERS PACE

Illinois Men First Blocked Now
Champion Life Plan for
"The Little Newspaper"

By "Newsy Nat"

Ye shades of The Parthenon! Those active chapter men at Michigan seem bound to uphold the leadership of their forbear, Iktinos, the architect of that famous building. Just when THE ARCHI was ready for press with a story giving Anthemos credit for a good job well done, the Wolverines come thru with a better job perfectly done.

Anthemos chapter was the first to have the names of all its men on the subscription list either as life subscribers or with subscriptions paid for one year. The men responsible deserve all credit. However, Iktinos has stepped in and has taken the major portion of the glory for being one hundred per cent in the matter of life subscriptions for its active membership.

On November 7th, Bro. Truman J. Strong, W. G. E., 10 Coventry court, Dubuque, Iowa, received life subscriptions for the seventeen active men in the chapter who had not previously paid, giving first honors to Michigan. Previously, Anthemos actives held the record for the largest number of life subscriptions received at one time.

Iktinos Challenge Relayed

Upon receipt of the memoranda relative to Michigan's feat, the facts, together with Iktinos' challenge to the other chapters to do the same, were relayed to the other chapters. At this writing, the staff is awaiting with interest to see what sort of a comeback the other chapters will make. In this regard it is best to say that Polykletos does not enter into the competition as

"DINTY" MOORE MARRIES

Another one of the boys has found bachelorette too dreary. Downie W. Moore, '15, Demetrios, was married recently to Miss Majorie Rathburn, of Gallipolis, Ohio. They are living at 67 S. Ohio Avenue, Columbus. Downie is no longer pushing the pencil, but is in the game on his own.

MNEISCLES ALUMNI TO PREPARE FOR HOUSE

Constitutional changes at the Ninth Annual Convention, Minneapolis, paved the way for the alumni of any chapter to form an alumni association, which body would function as a holding corporation for the active chapter. Thursday evening, Oct. 30th, the Minnesota alumni chapter met and directed that steps be taken toward the organization of the "Mnesicles Alumni association."

THE CONVENTION CALL

By virtue of the authority vested in me as Worthy Grand Architect, I do hereby proclaim and designate Friday, January 2nd, 1925, in Chicago, Illinois, and the Michigan Union, University of Michigan, Ann Arbor, Michigan, as the time and place of the opening of the Tenth Annual Convention of Alpha Rho Chi and the Michigan Alumni Association, for the usual enactment of business.

All delegates must appear before the secretary pro tem of the convention with proper credentials duly signed by the Worthy Clerk of their chapter and sealed with the chapter seal. Several delegates were negligent in this respect last year, and caution is urged. The attention of the chapters is called to the recently enacted provisions for active and alumni representation as given in the fraternity By-Laws, Articles VI.

Witness my hand at Columbus, Ohio, this 7th day of November, A. D. 1924.

(Signed) W. G. Ely, W. G. A.

For example, the Minnesota alumni chapter is a social organization in which members of any chapter are welcome. Similar bodies exist in Detroit, Chicago, Columbus and Los Angeles. The "alumni association" provided in the revised constitution is composed only of members of a specific chapter and bears that chapter's name. The function of the new organization is the management of the chapter's property.

Frank S. Moorman, Larry Bakken and George F. Poulsen, Mnesicles, were respectively elected A. A., A. A. A., and A. S. of the Minnesota chapter. They were named a committee with Harold R. Peterson, treasurer, to take steps necessary to organize and incorporate an alumni association. They will report at a special meeting, Nov. 14th.

Another step taken at the October meeting, which was called to order by R. F. Hennessy, retiring W. A., was the appointment of a committee com-

MICHIGAN UNION IS CONVENTION PLACE

Tenth Annual Convention Called
For Friday, January 2nd,
By Brother Ely.

Iktinos Chapter of Alpha Rho Chi is to entertain the Tenth Annual Convention of the fraternity at the University of Michigan, Ann Arbor, on January second and third next. The convention will be called to order on Friday morning at promptly ten-thirty, according to the convention call just issued by Dwight P. Ely, W. G. A.

Brother Ely, in his call which is printed herewith, gives special attention to those articles of the by-laws which govern the representation of the active and alumni delegations at the convention and the method of caring for expenses. Every chapter is cautioned to look into the matter at once and live up to the letter of the law.

Check New By-Laws

The by-laws provide that each chapter may be represented by two active members and one alumnus. It is arranged that the expenses of the active delegates shall be cared for by the fraternity as a whole, but that each chapter and its alumni shall make their own arrangements for financing the expenses of their alumni delegate.

Among the matters which will come up for the consideration of the delegates is that of where the next convention will be, with Kallikrates on the inside track. Properly speaking it is not so much a question of where the next convention will be as it is where the ones afterwards. Railroad transportation has become quite a financial item with chapters in California and Texas.

The matter of the election of the W. G. S. comes up at this convention. The term of Bro. Harold R. Peterson,

PAEONIOS PLEDGE INJURED

Leland Roberts, Manhattan, Kan., who was announced as a pledge by the Paeanios chapter in the last issue, was recently seriously injured while in swimming. Pledge Brother Roberts is suffering from concussion of the brain. The sympathy and hopes of the entire fraternity are with Leland and those that love him.

ANTHEMIOS—ILLINOIS
E. G. Spencer, Correspondent

In the directory it will be noticed that Brothers Hartford Field and G. B. Young have the same address. They were both married recently and happened to get apartments in the same building. “Brig” married Charlotte Bacon, who was well known to many Illinois men. We wish worlds of happiness to both couples.

The biggest thing at Illinois during October was Homecoming. This year it was especially impressive because of the dedication of the Memorial Stadium. Approximately 40 odd Antehmos men and about half the Iktinos chapter were in the 67,000 who saw “Red” Grange gambol at will against Michigan. Our guests were entertained with a pledge stunt Saturday evening.

Our greatest joy and surprise was the winning of the first prize cup for the best decorated fraternity house, a cup for originality, and the Kiwanis’ cup for the best house. We hoped for a cup, but hardly expected three.

Our first social function of the year will be November 22, a dance in honor of the Demetrios men who attend the Ohio State game. We hope for as big an attendance as at the studio party two years ago. Any Arochi man within radio distance is welcome.

It pays to advertise. Pledge Brother Marvin Patterson has been nicknamed “Burr” Patterson. Fraternity jewelers, please note.

Jack Bartley, Waterloo, Ia., advises us of the whereabouts of “Hooch” Ho-}

vay. Howard is married, has a wonderfully fine wife and a daughter about six. Brother Hovey is superintendent of the manufacturing end of the Campbell Baking Co., “Merit” Brand is his line.

DEMETRIOS—OHIO STATE
Lot H. Green, Correspondent

Demetrios Chapter announces the initiation of the following men: C. Russell Dole, Lima; Thomas J. Foley, Olmstead Falls; Carl E. Kuck, New Knoxville; Earl H. Mellenbrook, Olmstead Falls, and Harold C. Summerset, Dayton.

Our initiation banquet was given at the Chapter house Sunday noon, Nov. 9. Bro. Martin P. Coody, 23, presided as tomaster; Dwight P. Ely, ‘17, W. G. A., responded for the Fraternity; Prof. Ralph Fanning and Marions Carter, ‘18, responded for the Alumni; Robert V. Wade, ’23, W. A., extended the welcome of the Chapter; Howard Summerset, ’27, responded for the initiates.

Two out of the three places in the preliminary competition for the new Columbus City Hall were taken by A P X honors. Howard Dwight Smith, ’07, and W. C. Ronan, ’06 were two of the men selected to enter the final competition which will be held in the spring.

Brother Renick, ’22, is again back in the fold. Ben and his wife are now living at 164 W. Northwood Avenue, Columbus.

Four Demetrios Alumni have migrated to New York during the last few months in search of the elusive “tin

...
(Anthemios), Chester Dock, Gilman Holien, Robert Gullette, George Stewart, William Ingemann, Howard Dunn, Mr. and Mrs. Larry Bakken, and Samuel McGowen. Dancing started at five o’clock and continued until seven, light refreshments were served between dances. The house decorations which were under the supervision of Bro. Flegal were appropriate.

Athletic activities of Mnesicles are progressing nicely. In bowling we have won two matches so far, piling up a score of 2698 in the second match. Our chances for the championship seem very bright. The golf team has lost only one match thus far, but the present weather conditions are liable to prevent further competition. The tennis team won its first game, but went down to defeat in a couple of latter matches after a hard fight. At present there are three men out for the varsity basketball squad.

The pledges will be entertained at a party on the evening of Nov. 22; this will be one of a series of events leading up to initiation. The ball will begin Dec. 1, and probably last through “oriental night,” Thursday, Dec 4. Initiation comes Saturday, Dec. 6th.

The chapter was honored not long ago with a visit from Lient. Raymond C. Lancer, ’24, Paenios. At present he is stationed at Fort Snelling. We were very glad to have him with us and hope to see him again.

It has been reported that another brother has fallen victim to the charms of a member of the Delta Zeta sorority. Miss Ethelwyn Sutton is wearing an A.P.X pin belonging to Robert Gullette, but so far Bob has not passed the cigars. Both live in Minneapolis.

Oh, yes, the date, Richard McGee, Jr., was born August 20th.

Mnesicles chapter is now supplied with a complete set of ritual costumes, a different costume for every part. Herbert Jennings, who last year was an active, but now at University of Pennsylvania, spent most of his time and effort searching for the colors and designs of the costumes. After he had collected the necessary data his mother set to work making the costumes. The chapter appreciates very much the work that Mrs. Jennings and Herb put in on the costumes which will be a great help in future initiations.

KALLIKRATES—VIRGINIA
O. B. Flannagan, Correspondent

After the report went in last month Henry Lawrence showed up at the University and is here now working for his degree. The boys were all glad to welcome him into the annual struggle.

Ogden Brown has accepted a position in Lynchburg as an architectural draftsman.

Two weeks ago Charlie Loving passed by the University to greet us. He is now in Lynchburg making barrels of money out of a quarry, and shows no disposition to return soon to the school of Architecture.

On November 4th Alpha Rho Chi sponsored a party for all members of the Architectural School which was held in Fayerwether Hall, the home of the department.

Prof. Hudnut gave an excellent talk on the “Future of an Architect.” Later in the evening he gave a criticism of the drawings of the Southern Intercollegiate Competitions which are here now. In this competition Ogden Brown took third place.

Frank Johnson, ’24, of La Crosse, Kansas, and Miss Blanche McDermott were married in Topeka, Kan., Sunday, November 2, 1924.

They will make their home in Tampa, Florida, where Frank is employed in an architect’s office. Best wishes to the couple.

Paenios chapter wishes to announce the pledging of Fred Beck, Pratt, Kan., Archie Vietch, and Leo Reid, Kanopolis, Kan.

Wm. Hartgroves, ’24, dropped in for a little while this week. He is on his way to Tampa, Fla, where he is going to push a pencil for a firm there.

Won our first basketball game in the intramural tournaments this week. It was a fast and furious game, almost ending in a boxing tournament.

The next big thing on the local calendar is a trip to the plant of the National Fireproofing Company which manufactures Natico Hollow Tile at East Palestine, Ohio. This trip has been arranged so that the entire chapter will get free transportation there and back, with luncheon provided while there. The trip will occupy the entire day, Thursday, Nov. 20th, and steps are being taken to have the men excused from classes. Thanks for this trip are due to Bro. Ogden Brown, who evidently has a “drag” with one of the directors of the company for whom he worked last summer.

A report to Polykiltos from Brother Deacon of Lynchburg, Va., informs us that he will be back with the flock next year.

A sketch competition was held at our last meeting. Prof. Hyde, instructor in freehand drawing was invited to judge the drawings. He gave a very interesting talk afterwards which “went over big” and he will be asked over again in the near future.

For we have missed him a lot this year.

Polykiltos has been very fortunate in the selection of new men. We have the following to report: W. Ogden Law, ’26, Beaumont, Tex.; Kindred McLearry, ’25, Columbus, Tex.; Wilson McLure, ’26, Dallas, Tex., and Colonel Simmons, ’23, Denton, Tex.

(The names arrived too late for inclusion in directory.)

A banquet was given Wednesday evening, October 29th, at the University Commons honoring James M. White, visiting architect of University of Illinois. Mr. White was here consulting with the University Building Committee about his proposed plans for the extension of the campus.

Bro. Malcolm G. Simmons, Ikitos, ’14, was in town a few days ago attending a meeting of the A. I. A.

Chester Wright, ’24, who had been doing construction work in California, has a position now in Albuquerque, New Mexico.

POLYKILTOS—CARNEGIE
W. Stuart Forsyth, Correspondent

Polykiltos lost its W. S. two weeks ago when Cal Lundquist, finding the pressure of campus activities too heavy, was compelled to hand in his resignation. Cal has just been appointed manager of the musical clubs. A position formerly held by Brother Sload. This is a big position at Carnegie and includes all the work relative to taking trips to Philadelphia, Cleveland and Buffalo.

Cal is succeeded by Brother “Bill” Simboli.

Our “Bohemian Party” was held two weeks ago and under the persuasion of goods eats and jazz, the boys let loose with the bithe spirit. Everything went off in fine style and the proprietor is no doubt glad that all his patrons are not besmocked architectural students. This party will be an annual affair with Polykiltos in the future.

THE PLEDGE, REX

At the present time in practically every chapter His Royal Highness, The Pledge, is King. But— it will not be long until the king will be pulled down from his throne and divested of his royal robes. He will be the slave, yeo, the varlet, of the active members. Why? Because each pledge must prove that he is a good sport, a fine fellow who is not too fine, a man who is a man. During Hell week, the pledge will be obliged, as was every active man before him, to submit to certain discipline which will show him up for the sort of chap he really is, a good fellow or one with a yellow streak even though it may be a pale yellow. It is the man who does what is expected of him with good spirit and a proper degree of enthusiasm who will get the most out of it.

UNIFIED SPIRIT

Like all chapters the Mnesicles faces a problem this fall and apparently solved it. It was the problem of men stalling in paying their bills. The chapter unanimously ruled that any man thirty days in arrears with his bill automatically suspends himself. He is required to give a bankable note with his badge as collateral.

It is significant that the actives took the step they did. On the opposite page we publish in full a letter from a Mnesicles alumnus, which is indicative of the spirit of the alumni in general on the matter. Other chapters having the problem will also find their alumni behind them.

TO ALL CHAPTERS

Arrangements have been made whereby the words "Honorary Member" may be placed on the regular membership certificates for members of that class. In ordering certificates for honorary members the usual form should be used, but the notation "Honorary Member" shall follow the name of the member on the order.

The Grand Council wishes to call the attention of the Chapters to Article VIII, Section 1(e) of the Constitution which provides that names of prospective honorary members must first be approved by the Grand Council before they can be elected to honorary membership.

It is therefore necessary before extending membership to prospective honorary members that their names and a short description of the men and their attainments be furnished to the W. G. S. who will forward same to the W. G. E. and the W. G. A. in turn. Honorary membership should not be extended until approval is given by the W. G. A. in behalf of the Grand Council.

D. P. ELY, W. G. A.

ALPHA RHO CHI FOREVER

The following song written to the tune of "Honeymoon Time" is by William T. Townes, Mnesicles:

Alpha Rho Chi, as we stand within thy portals,
We swear to thee, Life loyalty;
Living and loving divinely, the but mortals.
Working and striving for fame to gild thy name—
We will never find a home so filled with joy and laughter;
Peals of joy resounding now from every beam and rafter.
Life in thy sphere must be like the sweet hereafter.
Forever, Alpha Rho Chi.

(Continued from Page 1)

It was the Anthemos chapter, thru their official delegates at the Minneapolis convention, that at first vigorously opposed the idea of the life subscription plan.

But when the details of the plan were explained to the Illinois delegates, they immediately championed the plan, and their reversal of position, their enthusiasm for the idea, carried the convention.

And now, it is the Michigan active chapter that is the first to petition the Grand Council under the revised constitution and others are expected to follow.

**QUICK RESPONSE TO DATE WINS DELINQUENTS CHANCE:**

Although The Archi Board in sending out a notice the last of October declared that none but subscribers would receive this, the fall directory issue, the rapid response received in reply to the challenge and the general spirit of the messages accompanying checks has brought about an extention in time. Men who have put off thus far are given another chance.

Because of the fact that many perhaps may not have the immediate total sum to pay their whole life subscription two partial payment plans are revealed in this issue which should bring about complete support from the men who have not yet been heard from. These plans put THE ARCHI within the reach of every man in the fraternity now.

At the deadline there were 129 life subscriptions on record and 38 partial payments, a gain of 73 men in three weeks. Anthemos lead the list with 47 life and partial subscribers, including 11 pledges. Mnesicles was second with a 38 total, Iktinos third with 33, then Polyclitus with 18 (100 per cent paid at installation), Andronicles 13, Paenonios 10 and Demetrios seven, while Kalikrates and Dinocrates tied for last place with no subscriptions of any kind.

**MICHIGAN UNION IS THE NEXT CONVENTION PLACE**

(Continued from Page 1)

Mnesicles charter member, expires with the convention. The Mnesicles delegates will nominate him for re-election. Bro. Truman J. Strong, Anthemos charter man, was re-elected W. G. E. last time, and the term of the W. G. A., Bro. Dwight P. Ely runs until the 1926 convention.

Another problem the delegates will probably hear a report on which will call for consideration is to whether or not additional degrees are to be added to the three present degrees. The proposal submitted last year would add a degree of graduation and another later for honor won by a graduate. These two have met with adverse criticism while those providing for specific additional degrees for honorary members and Master Architects seem welcome.

A Business Stroke
For Busy Men

THE Life Subscription plan is a success!
Not that we had any doubt about it. The fact that every initiate becomes a Life Subscriber the day he takes the oath is sufficient in itself to guarantee the plan a prosperous development.

But more than the money is the interest of the members in “the little newspaper” and in the fraternity. That interest has been splendidly displayed by the response of alumni to the first letter informing them of the opportunity to obtain THE ARCHI for life for $10.

Forty per cent of those addressed on the test list sent in their checks within ten days. Checks are still coming in from Illinois, Washington, Kansas, Ohio, Michigan, and every place where the Alpha Rho Chi pennon has been unfurled.

Alpha Rho Chis have ever been known as shrewd business men. As such they recognize the value of THE ARCHI at a price which under the old wasteful and inefficient plan, they paid in five years alone. But Alpha Rho Chis are also busy business men. And they have welcomed the plan which relieves them of petty solicitation and the annoyance of annual dunning letters for a few pennies in support of the fraternity’s “little newspaper.”

The Minneapolis Convention will go down in history as one of the most constructive meetings ever held by Alpha Rho Chi. But its place in fraternity history would be made secure alone by its adoption of the Life Subscription plan.

Your name may be added to the list of Life Subscribers by signing the form folded within this issue of THE ARCHI of Alpha Rho Chi.
