January First and Second
With Kallikrates

We are offering no apologies for this issue, only an explanation. It is late and actual news space is limited. Limited because this is the directory issue and we are striving to be conservative. At this time we cannot afford two 12-page issues in succession. The issue is several days behind time because of the unusual number of address changes among A.P.X men within the last six months. It has taken a great deal of time to correct the rolls but we feel the time has been well spent.

Because of the limited space this issue is rather condensed and the make-up is unusual, but we hope to return to normalcy next issue. Speaking of the December number, this edition will follow rather closely on the heels of this copy for two reasons, first, to get to the actives before the Christmas holidays and, second, to carry news that should have appeared this month.

Patterson Designing Now

In the December issue we will present a new monthly feature by the Grand Lecturer, Jos. J. Patterson. Brother Patterson has been and is devoting a good deal of time to a series of historical sketches of the old architects after whom our chapters are named. Watch for the story of Anthemios in December.

Incidentally, the G. L. is on a year’s leave of absence from teaching at Oklahoma A. & M., and is designing from Sanquinetta, Staats and Hedrick, Ft. Worth, Tex. Bro. Paul E. Nystrom, Advertising Manager, has also moved. Address all subscriptions to him Box 694, Delray, Fla.

Another thing we will attempt to present in the December number is a symposium of ideas on the question of “rough stuff” at initiation time. The question is quite pertinent in many institutions in particular and in the fraternity world in general. D.K.E. Quarterly says: “There is no better way to start a fraternity man wrong than to give him the impression he is joining a hazing club.” Alpha Rho Chi leaders, always conservative, have expressed themselves to your editor.

A Friend Passes

It is with genuine sorrow that we are obliged to chronicle the death of a man loved and respected by hundreds of architectural students and alumni of Illinois and Minnesota. Coming to Minnesota from Illinois with the establishment of the Department of Architecture at Minnesota eleven years ago, Prof. Jas. H. Forsythe won an enviable place in the respect of his students. Under his guidance the Frosh received their Elements and the Sophs their introduction to architectural history. Many a time his eyes reflected memories as he told of Florence and Venice and Italian moonlight.

“Jimmie” Forsythe passed to his reward Nov. 1st at his home in St. Paul. He was survived by his widow, a sister of Bro. Wm. Kirchner, Mnecicles, his parents and a brother and sister. In addition to his duties in the department at Minnesota, Mr. Forsythe was consulting architect for the Board of Regents, the liaison officer between the administration and the state architect.

Bro. J. M. Mann, Mnecicles honorary, Head of the Department at Minnesota since coming from Illinois, will succeed Mr. Forsythe as Consulting Architect. Bro. Mann graduated from Minnesota in civil engineering in 1892 and Mass. Inst. of Tech. in 1894, and has been head of the department at Minnesota since its establishment.

The Grand Council’s Directory

CORRECT TO NOV. 20 1925

Only such men as have been initiated and have a directory card in the Grand Council file are included. For example, a man stays on the pledge list until an approved directory card is received by THE ARCHI attending to his initiation. This plan is the only fair one.

To the users of the directory we call attention to the fact that this will be the last complete directory until next spring, keep it. Changes of address, supplementing this directory, will continue to be published each month. To all men we suggest, that you scan the whole list for men of other chapters in your vicinity, forge the links of friendship in Alpha Rho Chi.

The Archi
Despite the weather and score Homecoming was as joyous for us as ever, we again annexed two first place cups. One for the best house and one for “Bill” Crane, our official architect, a member of the architectural service bureau. At the alumni meeting a conservative building program was adopted which should get us a new house in a short time. Bro. Bert Thorud is the author of the program.

Arthur B. Benson was re-elected president of the association; W. A. Rolleston, vice-president; Geo. L. Lindeberg, Secretary, and Harford Field, treasurer.

Boynton Satterfield, W. A. A., and Otis Winn, W. S., who did not get back this year, have been respectively succeeded by Jimmie Marshall and Russell W. Davidson.

Buford Pickens has moved to Beaver Falls, Pa., to work for the Associated Tile Manufacturers’ Association under Bro. “Spike” Pickett. Pick promises to be back next year. “Spike” was married last May and the present Mrs. A. D. Pickett was formerly Florence Herrin of California, a Δ Τ’ from Arizona.

Carl Kressbach, who graduated last June, is this year taking work in Harvard.

We slipped in the last issue of making the fact known that Brother “Connie” Johnson is back with us again this year. Connie was out of school last year, but is here this year with his old traits of “shows and eats.”

Brother Kidney, ’21, was back to see the boys the week-end of the Navy game. Everybody was sure glad to see him. Jim is now located in Buffalo, N. Y.

We received word that Jerry Beem is married. The former Miss Stevens is now Mrs. Beem.

“Doc” Letson and Ello Eggert are also in line for congratulations as the stork has paid a visit to both their homes. “Doc” is the proud father of a boy and Ello (who is now in Dayton) of a baby girl.

Now since you have all congratulated these men, Demetrios is open to some. We are through initiation and still have a pledge chapter of sixteen.

Our first party of the year, Armistice eve, was a big success in spite of the fact that we had no house of our own to hold it in. The chapter was host to a number of freshmen from the department. Paul Jones was in charge of arrangements.

The bowling team continues its march toward a third consecutive University and Big Ten championship. Four games without a defeat is the tally so far this year. There is some pretty stiff competition ahead, however.

Frank Lindgren and Jack Grisdale, our tennis team, has been hampered in the tournament by arctic weather.

Oscar B. Flannagan, W. A., who has been doing fine with an engineer in Cuba is to receive a partnership when he graduates. Therefore he has resigned as W. A., has shifted to engineering and is taking thirty hours work. If possible he will return next spring and get his architectural degree.

Ogdin W. Brown has left his job in Lynchburg, Va., and is now in Jacksonville, Fla.

Ecc Everhart gave us a visit a while back to see the boys the week-end of the Navy game. Everybody was sure glad to see him. Jim is now located in Buffalo, N. Y.

We are through initiation and still have a suitable meeting room has not been located since we do not have the use of Miller Hall. A recent meeting was held at the Acacia house and a number of new names were brought up and voted upon.

November 10 we had a smoker and meeting at the S. A. E. house. Actives and alumni were out to show the new men a good time. Our guest of honor was Mr. Hyde, the house father, who gave us an interesting talk on Freehand Sketches and acted as judge for a sketch competition we got up for the occasion.

Bastian was recently initiated into the Dragon Society, senior honorary. McMillan is studying at Yale this year. Tillotson and Goehring are both working in this city, while Cal Lundquist has a job in Lowell, Mass.

Friend Allen Ingle, Paeonios ’26, has returned to his home in Kansas, apparently finding the separation more than he could stand. That’s all right Allen, we don’t blame you a bit.

“Frank” Johnson, Paeonios ’24, and wife, have moved to their country place. The flood of roomers from the North swept them from their former moorings. Ed. (Molly) Larson, Mnesicles ’21, is still waiting for his furniture to arrive.
