CONVENTION DATES ARE APPROXIMATE

Eleventh Convention Tentative
January First and Second
With Kallikrates

Alpha Rho Chi delegates will probably meet in convention January 1st and 2nd, the dates now tentatively set by the entertaining chapter, Kallikrates, University, Va.

The attention of the several chapters is called to the fact that but one active delegate is to be formed this, the Fraternity's Eleventh National Convention. Each paid delegate will have the chapter's two usual votes, unless a chapter elects to pay the expenses of a second man. The status of the alumni delegate remains the same.

It was considered the best ways to reduce convention expenses, by the Tenth convention delegates, that brought about this plan of restricting to one delegate from each chapter.

Nominate Gregory President

Word from Kallikrates chapter states that Endall L. Gregory, 25, Richmond, Va., has been selected for convention president and O. B. Flannagan, 26, secretary, to be placed in nomination. Delegates at the Ninth and Tenth conventions will remember Brother Gregory, who is well fitted to preside at the forthcoming convention.

Two mighty important matters will come before the Virginia convention. The first will be the consideration of the petition filed last year for a new chapter which will come up for vote this year.

Two A P X alumni, one a Mnesciles man and the other an Anhemios grad, sponsor a second petition, concerning which the chapters will be advised in the usual confidential channels, and there seems to be some grounds for their urging consideration of the waiving of the one-year probation rule. However, it is something for the actives to consider carefully.

MNESICLES SELLS OUT

A quick settlement with the University of Minnesota, $30,000 cash, and a clear field in which to select a lot and start construction seemed the wise policy to the MnescilesAlumni Association. The other alternative, a legal fight and condemnation proceedings did not seem to be worth the difference.

From The Editor's Mail Box

Wherein We Recount Things and Thoughts Which Come To Our Attention.

We are offering no apologies for this issue, only an explanation. It is late and actual news space is limited. Limited becausethis is the directory issue and we are striving to be conservative. At this time we cannot afford two 12-page issues in succession. The issue is several days behind time because of the unusual number of address changes among A P X men within the last six months. It has taken a great deal of time to correct the rolls but we feel the time has been well spent.

Because of the limited space this issue is rather condensed and the make-up is unusual, but we hope to return to normalcy next issue. Speaking of the December number, this edition will follow rather closely on the heels of this copy for two reasons, first, to get to the actives before the Christmas holidays and, second, to carry news that should have appeared this month.

Patterson Designing Now

In the December issue we will present a new monthly feature by the Grand Lecturer, Jos. J. Patterson. Brother Patterson has been and is devoting a good deal of time to a series of historical sketches of the old architects after whom our chapters are named. Watch for the story of Anhemios in December.

Incidentally, the G. L. is on a year's leave of absence from teaching at Oklahoma A. & M., and is designing from Sanquinet, Staats and Hedrick, Ft. Worth, Tex. Bro. Paul E. Nystrom, Associate Business Manager, has also moved. Address all subscriptions to him Box 694, Delray, Fla.

Another thing we will attempt to present in the December number is a symposium of ideas on the question of "rough stuff" at initiation time. The question is quite pertinent in many institutions in particular and in the fraternity world in general. D K E Quarterly says: "There is no better way to start a fraternity man wrong than to give him the impression he is joining a hazing club." Alpha Rho Chi leaders, always conservative, have expressed themselves to your editor.

A Friend Passes

It is with genuine sorrow that we are obliged to chronicle the death of a man loved and respected by hundreds of architectural students and alumni of Illinois and Minnesota. Coming to Minnesota from Illinois with the establishment of the Department of Architecture at Minnesota eleven years ago, Prof. Jas. H. Forsythe won an enviable place in the respect of his students. Under his guidance the Frosh received their Elements and the Sophs their introduction to architectural history. Many a time his eyes reflected memories as he told of Florence and Venice and Italian moonlight.

"Jimmie" Forsythe passed to his reward Nov. 1st at his home in St. Paul. He was survived by his widow, a sister of Bro. Wm. Kirchner, Mnesciles, his parents and a brother and sister. In addition to his duties in the department at Minnesota, Mr. Forsythe was consulting architect for the Board of Regents, the liaison officer between the administration and the state architect.

Bro. F. M. Mann, Mnesciles honorary, Head of the Department at Minnesota since coming from Illinois, will succeed Mr. Forsythe as Consulting Architect. Bro. Mann graduated from Minnesota in civil engineering in 1892 and Mass. Inst. of Tech. in 1894, and has been head of the department at Minnesota since its establishment.

THE CALENDAR

December 5th

December 12th
So. California vs. St. Mary's College, Los Angeles.

December 16th
Panconios, Christmas Banquet, Manhattan.

January 1st and 2nd
Eleventh Annual National Convention, (Tentative dates), Charlottesville, Va.
Only such men as have been initiated and have a directory card in the Grand Council file are included. For example, a man stays on the pledge list until an approved directory card is received by THE ARCH diagnostication to his initiation. This plan is the only fair one.

To the users of the directory we call attention to the fact that this will be the last complete directory until next spring, keep it. Changes of address, supplementing this directory, will continue to be published each month. To all men we suggest, that you scan the whole list for men of other chapters in your vicinity, forge the links of friendship in Alpha Rho Chi.
