LOYE SENDS MORE NEWS OF FATALITY

Most Intimate Friends Discount Mildner Suicide Theory.

As was briefly chronicled in the March issue of The Arch, at press time we had just received meager information relative to the fatality which overtook Bro. Eric C. Mildner, Iktinos 23, on Feb. 18th. Brother Mildner, who was quite definite in his desire to go to Paris, left for New York early in the week to make arrangements for travel. When he made the arrangements he was electrocuted. V.F.D. sources state that Mildner was found unconscious at his home, 100 feet from the Chester Heights station of the Boston-Westchester railroad, and that no evidence of suicide was found.

Mildner was the only son of Mr. and Mrs. Mildner, who reside in Mt. Vernon, N. Y., to secure a seat on the train to San Francisco. He had just received meager information from the newspapers about the fatality which overtook him. The identification was made by means of membership cards and hotel keys. Foul play was discounted, and the police department is now investigating the case as suicide.

Battin Had No Hint

A note from Bro. Battin to your editor read: "I find that I have very little to say, we lived together last summer on Long Island and we each other every day after moving into town last fall, in short we were very intimate, and in all that time nothing was said that in any way accounts for what has happened. It has been a great shock to me and all of my friends, the more so because my main concern was the mystery surrounding the case. We friends do not accept the suicide theory."

Bro. Battin advised that Bro. Mildner was expected to attend a dinner party at the Sheen Heights, where they both lived, that evening, and his failure to appear caused comment. This coupled with the fact that he had been supervising the construction of a house in Westchester county leads one to believe that death overtook him accidentally while pacing on the track awaiting a train to the city, even though the police theory is not in accord with that of his friends and brothers.

The late Bro. Mildner graduated from Michigan in '23. Shortly after

Wherein We Recount Things and Thoughts Which Come To Our Attention.

Since "Lindy" hopped from New York to Paris it is not a long jump from Minnesota to Texas. But that is where "Chet" Wright, Dino '23, is living and working. Two years after graduation he married Miss Mildred L. Brooks and they reside in El Paso, where Chester is a supervising engineer for R. E. McKeel, El Paso general contractor. Temporarily the old boy is on a job in Albuquerque, N. M.

Wright is a Tau Sig man as is Milton L. Anderson, Mnes. 21, who we recently advised is manager of the John M. Cooper Co., Oakland-San Francisco office. The Cooper concern are architects and contractors. Milt and his wife have moved from Los Angeles to Oakland.

Speaking of moving Alfred R. Naser, Ikt. 23, since he finished school has been about the prize man for frequent changes of address. But they have meant advancement. Right now Al is working out of Pittsburgh for a Cleveland manufactured of steel partitions, the E. F. Hauserman Co. His residence is now Wilkinsburg, Pa. (See directory.)

Errors eventually show up, all "arkiteks" know that. Well the printer does too, and the proof-reader didn't catch this one. Chap. L. Rits, Anthemos '16, is still stamping around his old pasture, Burlington, Iowa, where everything is lovely. In other words he is not in Detroit as the last issue of the directory would seem to indicate. Thanks Charley for calling it to our attention.

Taylor Hits California

"It made us feel very happy to have a large number of stockmen farmers when we landed at San Francisco. Our plans are quite indefinite. In the meantime we are busy getting the fraternity growing. We have been visiting with relatives here in Pasadena and San Bernardino. Our present plans are that we shall not travel East together, as I must go on to a job waiting for me in New York, and Mrs. Taylor will stay here for a longer visit with relatives.

"I have been down to visit the Andronicus chapter at U. S. C. and they have welcomed me most cordially. If I am here until June 11 I may be present at their initiation of an honorary. I am glad to see the fraternity grow to include such schools and such men as at U. S. C. But it seems to be just the right size now, and we can feel that we know each other.

"Our plans are quite indefinite, especially in regard to China, for reasons and circumstances beyond our control. We are indeed glad to be home, and consider ourselves very fortunate in many ways. I do hope that we can be together sooner or later. When the fraternity is rich, some day, we shall have to have a fund for travel expenses to bring wives along to conventions."

—Walter A. Taylor, Dem. 21.

Iktinos chapter elected the following officers for the coming semester: Harold Philpott, W. A.; Stanley Podbielniak, W. A. A.; Junior Rouse, W. C.; George Foulks, W. S.; Harper Fowley, W. S.; Roy Peterson, W. E.; and Sheldon Ely, Steward. Edward C. Cummings

Our "Fathers' Day" was held the week end of May 19th. Due to the rainy weather, only a few fathers came down. But the rain "can't dampen down."

The Architectural Society held its annual May Party on May 7. This party was a costume ball, with elaborate decorations and costumes designed to suit the decoration scheme. This year's party depicted an "Elves Garden Revel." By the gross exaggeration in scale of flowers, mushrooms, and plants painted on the walls of Barbour Gymnasium, the dancers appeared dwarfed in a huge fairy garden. As Timothy Hay, a campus humorist put it, "The Architects tried to make themselves out big by making all the guests of their party seem small." Iktinos chapter was well represented on the committee in charge.

Brother Harold Philpott, '28, newly elected W. A., was elected vice-president to the Michigan Alumni House Manager from the Colleges of Engineering and Architecture, by a large majority.

This is the first major office to be held by a member of Iktinos chapter, or by a student in the College of Architecture. Brother Philpott attributes much of his success to the work of Brother Karl H. Kuhn '27, his campaign manager and political boss of Iktinos chapter for the last three years. However the general opinion of the chapter is that Brother Philpott won because of his popularity on the entire campus.

DEMETRIOS—OHIO STATE

On Saturday night, May 7, the Pledges threw, for the Actives, the best dance that has been held in the house this year. The "Hard Times" spirit prevailed in costume and revelry and what, with Bob Leece handing out free gin(geral) over a good old-fashioned bar, the atmosphere was complete.

The party was well chaperoned by Mother Utery and, listen in close on this fellows, we caught her visiting the bar at intervals during the evening.

Officers for the coming year were elected in the regular business meeting May 9, the following men being chosen for officers: Howard E. LeFevre will succeed Carl Kuck as W. A., Harold Summersett succeeds LeFevre as W. A. A., "Bill" Gould is W. C., Robert M. Heichel W. S.; Kenner G. Smith, W. E.; Jack Coady, Supt.; L. L. Stanley, Senior Member of the Board of Directors, and Don Rice, House Manager.

The chapter has enjoyed a very successful and active year under the leadership of the old officers, and the business of the Fraternity will be turned over to the newly-elected officers in ship-shape condition. We feel that these efforts on the part of the going officers and the ability of the new men give a very promising outlook on the ensuing year.

Kallikrates wishes to announce the election of the following officers: Ralph... the chapter is fast becoming a large family... and Fred Lupton, W. Supt. The Spring "Shag" of Kallikrates was held on Monday evening, May 9th, with the Phi Mu Mu girls and Alpha Rho Chi men. The upper-class men were guests of the Phi Mu Mu, while Alpha Rho Chi lower-class men were hosts to the Phi Mu lower-class women. After dinner all united in the Phi Mu House, where dancing was enjoyed. Everyone reported a successful get together. The party broke up by the calling of meeting by the leaders of the two organizations. This neighborly party is the means of further fellowship with the other organizations of the campus. Brother Al Mendell has again desired the presence of the brothers at his parents' beautiful home. Saturday, May 14th, all roads for Alpha Rho Chi led up the hill to Al Mendell's home.

Saturday, May 7th, marked our recent initiation of seven new members. Our chapter is fast becoming a large family and more prominent than ever as the days pass. Election of new officers for the ensuing term was held. Our present Worthy Archon Lorenlokton soon stands aside, having successfully completed his term of office.
