

From the Office of the  
Worthy Grand Architect  
P.O. Box 161237  
San Diego, CA 92137

May 03, 2015

Dear Brothers,

On behalf of the Grand Council, I am pleased to announce the appointment of Brother Hao Phung to the position of Worthy Grand Associate Architect. Brother Phung's appointment begins July 01, 2015, to fill the vacancy created by no member running for or being elected to the office during the 68<sup>th</sup> National Convention. Brother Phung currently serves as Alpha Rho Chi's Development Director, an appointment he's held since July 2013.

Brother Phung hails from the Daedalus Chapter and received his Bachelors of Architecture degree in 2013 from California Polytechnic State University in San Luis Obispo. At present, Brother Phung resides in Chicago, IL, and is employed at Valerio Dewalt Train Associates. In addition to his membership in the Daedalus and Anthemios Alumni Associations, he is an Associate AIA member and a LEED Green Associate member.

As Worthy Grand Associate Architect, Brother Phung plans to employ frequent alumni spotlight to give recognition to those brothers who have achieved professional success in their field or have strived for the betterment of the fraternity. He plans to grow and enhance the Metro Group program, including a plan to beta-test a professional mentorship program in conjunction with some of the established groups. Further, he intends to continue his efforts to seek out partnerships and build relationships with other organizations to benefit Alpha Rho Chi.

As announced in a previous letter to the membership, and subsequently to the National Convention, the responsibility of overseeing the Convention Director and planning each regular or special convention was reassigned to the Worthy Grand Architect. Because of this, the Grand Council is confident that Brother Phung will have an improved chance of success to implement and grow his plans.

Pursuant to Article XIV, Section 01, Brother Phung is appointed by the Grand Council to serve as the Worthy Grand Associate Architect until the time of the next Regular Convention. Therefore the 69<sup>th</sup> National Convention in Charlotte, NC, will be afforded to opportunity to elect Brother Phung to the office.

Please join the Grand Council in congratulating Brother Phung.

In Fidelitas, Amor et Artes,

Laura Schmidt  
Worthy Grand Architect  
National President  
Alpha Rho Chi Fraternity
