June 21, 2015

Dear Brothers,

On June 12, 2015, Worthy Grand Scribe (WGS) Kristen Argalas resigned her office for personal reasons. Later that afternoon, the Grand Council held a conference call with Brother Argalas and accepted her resignation, effective immediately. Worthy Grand Estimator Emily Bowers joined Brother Argalas and me for a transition call two days later, ensuring that all duties and responsibilities were handed off.

Until further notice, all correspondence for the WGS should be sent to the Worthy Grand Architect (WGA). Appointees reporting to the WGS have been notified and are reporting to the WGA until such time as a replacement WGS is appointed.

The Grand Council is holding its annual summer meeting in early July, during which time we will discuss needs, duties, and plans that affect the WGS. We hope to make an appointment to complete the current WGS term no later than mid August, pursuant to the *National By-Laws of the Alpha Rho Chi Fraternity*, Article XIV, Section 01.

Kristen has been an important member of our team, and her spirit and enthusiasm will be missed. I ask that you join us in wishing Kristen the best in her future endeavors. Should you have any questions, please do not hesitate to contact me or any member of the Grand Council.

In Fidelitas, Amor et Artes,

Laura Schmidt
Worthy Grand Architect
National President
